Wendy McElroy : The Debates of Liberty: An Overview of Individualist Anarchism, 1881-1908 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Debates of Liberty: An

## Overview of Individualist Anarchism, 1881-1908:

In her pioneering work, *The Debates of Liberty*, Wendy McElroy provides a comprehensive examination of one of the most remarkable and influential political phenomena in America: the anarchist periodical *Liberty* and the circle of radicals who surrounded it. *Liberty*, which is widely considered to be the premier individualist-anarchist periodical ever issued in the English language, published such items as George Bernard Shaw's first original article to appear in the United States and the first American translated excerpts of Friedrich Nietzsche. Arguably the world's foremost expert on *Liberty*, Dr. McElroy exposes the reader to the controversy etched in each debate, ranging from radical civil liberties to economic theory, and from children's rights to the basis of rent and interest. While addressing the facts, Dr. McElroy also conveys and captures the individualistic personalities that emerged: Lysander Spooner, Auberon Herbert, Joshua K. Ingalls, John Henry Mackay, Victor Yarros, and Wordsworth Donisthorpe are only a partial listing.
