Joseph Alton, Amy Alton : The Doom and Bloom Survival Medicine Handbook: Keep your Loved Ones Healthy in Every Disaster, from Wildfires to a Complete Societal Collapse before purchasing it in order to gage

whether or not it would be worth my time, and all praised *The Doom and Bloom Survival Medicine Handbook: Keep your Loved Ones Healthy in Every Disaster, from Wildfires to a Complete Societal Collapse*:

\*\*\*URGENT\*\*\*The book you are seeing ABOVE is NOT our NEW BOOK!!! Our revised and expanded 700 page Third edition can be found by searching: "The Survival Medicine Handbook". The FULL Title is "THE SURVIVAL MEDICINE HANDBOOK: THE Essential Guide for When Medical Help is Not on the Way" The cover has a road and a large medical kit with a white cross on it and storm clouds at the top. IT is now available on Amazon. AGAIN:\*\*\*The new title is "The Survival Medicine Handbook: A guide for when help is NOT on the way".\*\*\* The #1 Amazon Bestseller "survival medicine handbook" is meant for those who want to ensure the health of their loved ones in any disaster situation, from hurricanes to a complete societal collapse. Integrative medical strategies abound for situations in which medical help is NOT on the way. This book will teach the non-medical professional how to deal with all the likely medical issues they will face in a disaster situation in plain English. You'll learn skills like performing a physical exam, care of traumatic injuries and infectious disease, and even how to suture a wound!
