Caitlin Matthews, John Matthews : The Encyclopaedia of Celtic Wisdom : A Celtic Shaman's Sourcebook
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Encyclopaedia of Celtic Wisdom : A Celtic Shaman's Sourcebook:

0 of 0 people found the following review helpful. Encyclopaedia of Celtic Wisdom: A Celtic....By Tina the S.Older book, but in good shape...not much wear to it...This is a book which I am sure is full of interesting facts about a very interesting, ancient culture. Worth the money, especially if one is a student of historical places and books written over a thousand years ago...and invaluable if one wishes to travel to Ireland, Northern Ireland, Wales and the West Coast of Scotland...all places rich in Celtic structures and full of History. If one is going to go to Ireland and other places preserving Celtic monuments, manuscripts and Lore, then this book will be very interesting to you as a good solid background into a fascinating, ancient culture, whose traditions and ethos still influence the land of the peoples of Celtic heritage.3 of 3 people found the following review helpful. Doesn't really read like an Encyclopaedia By Requiem The book is alright, but there isn't very much real wisdom in there, nor is there any real facts. I don't hate it, but it certainly wasn't what I was expecting.1 of 1 people found the following review helpful. Not the kind of book that has a surprise ending By d mystified A thoughtful guide on thoughts and practices of the Celtic Spirituality Process.

In this stunning gift edition, Celtic experts Caitlin and John Matthews present inspirational primary material, rich in

ancient wisdom, lore, and mythology. For readers who are fascinated by Celtic traditions, and spiritual heritage, this unique reference introduces several new translations of powerful Celtic literature, including stories, poems, and visionary writing-many dating from the 7th century. Brimming with invaluable ancestral knowledge and previously unavailable texts, this invaluable sourcebook offers readers a rare insight into shamanic memory, druidic divination and prophecy, shape-shifting myths, stories about soul loss and restoration, legendary magic, and healing traditions.

About the AuthorCaitlin and John Matthews are internationally renowned for their research into ancient Celtic Wisdom. They have written many successful books including *The Celtic Shaman* and *Winter Solstice*.
