R. Scott Frey : The Environment and Society Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised The Environment and Society Reader:

0 of 0 people found the following review helpful. Good Deal, What I NeedBy WyattL.good book, exactly what i needed and wasn't in that bad of shape for a used book either. defiantly a good buy

This is a comprehensive introduction to the issues associated with environmental problems. The author challenges readers to ask themselves questions regarding the complexity and distribution of environmental problems as well as human impacts on and responses to these problems. Readers are also encouraged to examine the scope and nature of

environmental problems. Geared toward those interested in the relationship between the environment and society.
