Tomie De Paola : The family Christmas tree book before purchasing it in order to gage whether or not it would be worth my time, and all praised The family Christmas tree book:

0 of 0 people found the following review helpful. Christmas Tradition BookBy Paula C. HuletI love this book. I lost my copy and needed to replace it. Tomie De Paola does a great job explaining how the Christmas Tree came about. I use this book when I teach my 2nd Graders about Christmas around the world.0 of 0 people found the following review helpful. AlrightBy Stephanie HelmerInteresting history of the Christmas tree , a bit over the heads of my children (ages 6 and under) Sweet illustrations.

A family discusses the origin of the Christmas tree as it decorates its own.
