**A. Furia : The Foreign Aid Regime: Gift-Giving, States and Global Dis/Order** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Foreign Aid Regime: Gift-Giving, States and Global Dis/Order:

The author develops an original interpretation of foreign aid by analysing it as a particular domain of international government. She demonstrates how foreign aid practices are contemporary forms of gift-giving that have made recipient countries and populations governable due to a continuously renovated and expanded debt of development.

About the Author Annalisa Furia is a research fellow in the Department of Cultural Heritage at the University of Bologna, Ravenna campus, Italy. She has published books and articles in academic journals and edited volumes on citizenship, human rights, the capability approach, migration, human security and human development. She has participated as a researcher and scientific coordinator in several national and EU-funded research projects.
