Jonathan Grix : The Foundations of Research (Palgrave Study Skills) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Foundations of Research (Palgrave Study Skills):

This book offers advanced undergraduate and postgraduate students an accessible introduction to the foundations of research in the human sciences. It covers the tools, terminology and research perspectives that students need to know

in order to engage in academic debate and successfully complete their long essays, dissertations and theses.
