From Routledge : The Geographical Dimensions of Terrorism before purchasing it in order to gage whether or not it would be worth my time, and all praised The Geographical Dimensions of Terrorism:

First published in 2003. Routledge is an imprint of Taylor Francis, an informa company.

"This book is to be recommended, as it offers another toolbox to those of us concerned with terrorism and its impact

on our lives. ."-Stephane Lefebvre, formerly with the Department of National Defence, Canada, "H-Net s
