Georgi Vins : The Gospel in Bonds before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gospel in Bonds:

By Gerrie Saxon Georgia Vins, a Baptist pastor in Russia during Soviet rule, was imprisoned more than once for his faith, and was released and exiled from Russia in 1979. In The Gospel in Bonds, Georgi, the son of a Baptist pastor who had died in a Soviet prison because of his faith, tells of the many hardships suffered by Christians under Soviet domination. This is a biographical accounting of one pastor who survived Soviet imprisonment and persecution at a time when thousands of other Christians suffered the same

persecution and imprisonments, but who did not live to tell their stories. The world needs to know and needs to remember the atrocities committed during the years of atheistic communism. 2 of 2 people found the following review helpful. A must read for all who would live godly. By David Lee An excellent portrayal of what believers have gone through for the sake of Christ. Georgi Vins' godly example through suffering is inspiring to all who read. All believers should read this, as it will help prepare them for the coming persecution in America and the rest of the world. "We are troubled on every side, yet not distressed...persecuted, but not forsaken...cast down, yet not destroyed." 0 of 0 people found the following review helpful. Five Stars By Mary Very interesting book of how Christians were persecuted in Russia. Is it returning?

Georgi Vins, a Baptist pastor living in the U.S.S.R., was 37-years-old the first time he was imprisoned for his faith in a Soviet prison camp. He left behind his wife, his children, and his church. Over the course of thirteen years, Pastor Vins spent a total of eight years in the gulags. But in the pages of this book, you won't read about a man who felt sorry for himself or who wallowed in the misery of his sufferings. Rather, you will hear the true stories of believers whose faith in Jesus Christ took preeminence in their lives and who allowed nothing, not even a Communist government, to take away their faith and their hope. Threaded through *The Gospel in Bonds* is an intricately woven theme of love for God's Word and faith in the Gospel, even in the midst of severe punishment and deprivation. May the pages of this book give you insight into the mind of a man uniquely used by God and encourage you to an ever-closer walk with the Savior, Jesus Christ!

What an amazing testimony! How Vins loved his Bible. How Vins loved his Gospel. How Vins loved his Lord. May we too, learn to treasure the precious holy word of God for as Psalm 19:10 says its words are, "More to be desired ... than gold, yea, than much fine gold; sweeter also than honey and the honeycomb." --Lois Putnam - Learn to Discern
Granny What a special man of God he was! It's hard for us here in America to comprehend the injustice, torture, loneliness and unthinkable suffering that he endured because of His faith and love for His Lord. I thank God for your wisdom in choosing books such as this to publish. *The Gospel in Bonds* is one that I will truly treasure! --Berit Kjos, Kjos Ministries
