Joseph Cummins : The Greatest Search and Rescue Stories Ever Told: Twenty Gripping Tales of Heroism and Bravery before purchasing it in order to gage whether or not it would be worth my time, and all praised The Greatest Search and Rescue Stories Ever Told: Twenty Gripping Tales of Heroism and Bravery:

0 of 0 people found the following review helpful. Five StarsBy Susan EhrhardtNice4 of 5 people found the following

review helpful. INCOMPLETE STORIES By Jeff P. The stories themselves are great, but in some cases very poorly written, loaded with typos and INCOMPLETE! I'm about halfway through the book, and, so far, two of the stories are grossly incomplete telling about some survivors, but leaving you completely in the dark about others. I've had to go online to find "the rest of the story" NOT RECOMMENDED. 5 of 5 people found the following review helpful.
Review By Customer It is a good compilation of chapters from other great books; Better to buy the books it borrows from than to buy this book however.

Human drama at its most gripping and satisfying.

"Every once in a while, a book publisher comes up with a great concept for a series of books that deserve more than superficial recognition. Such a series is "The Greatest (fill in the blank) Stories Ever Told", anthologies that should win places on many bedside tables. On the long winter nights that lie ahead, such stories make great reading." --The Lexington County Chronicle
