**From Grandin Greg : The Guatemala Reader: History, Culture, Politics (The Latin America Readers)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Guatemala Reader: History, Culture, Politics (The Latin America Readers):

8 of 8 people found the following review helpful. Thorough By Jordi R. Comas Great mix of historical and contemporary documents. Very thoughtfully edited. Comprehensive from colonial, to indigenous culture, to US

involvement and so on.0 of 0 people found the following review helpful. Four StarsBy chris gomezgood read3 of 3 people found the following review helpful. Informative and interestingBy Kel-NicoleGreat condition, speedy shipping.. This book was great for my study abroad program in Guatemala! Lots of details and interesting topics! Its a challenging read and not meant for the beginning reader in politics.

This reader brings together more than 200 texts and images in a broad introduction to Guatemala's history, culture, and politics. In choosing the selections, the editors sought to avoid representing the country only in terms of its long experience of conflict, racism, and violence. And so, while offering many perspectives on that violence, this anthology portrays Guatemala as a real place where people experience joys and sorrows that cannot be reduced to the contretemps of resistance and repression. It includes not only the opinions of politicians, activists, and scholars, but also poems, songs, plays, jokes, novels, short stories, recipes, art, and photographs that capture the diversity of everyday life in Guatemala. The editors introduce all of the selections, from the first piece, an excerpt from the Popol Vuh, a mid-sixteenth-century text believed to be the single most important source documenting pre-Hispanic Maya culture, through the final selections, which explore contemporary Guatemala in relation to neoliberalism, multiculturalism, and the dynamics of migration to the United States and of immigrant life. Many pieces were originally published in Spanish, and most of those appear in English for the first time.

A lively, literate sourcebook on the politics, economy and society of Guatemala, with selections ranging from historical accounts to newspaper articles, essays, memoir excerpts and modern analysis. A volume in the excellent series of Latin American Readers, aimed at students, travelers and scholars. - Longitude: Recommended Reading for Travelers
