Guide to Intelligent Giving: Make a Difference in the World--and in Your Own Life (Town Country):

We all want to make a difference and Town Country shows that philanthropy is not just for the wealthy. This inspirational book explains how to donate money and time for optimum impact, no matter what your level of income. It features the personal stories of a range of contributors, from celebrities like Gary Sinise who cofounded an organization to donate school supplies to Iraqi children and Osceola McCarty, a laundress who, at 85, donated \$150,000 the bulk of her life savings to a scholarship fund for black students at the University of Mississippi. If you have an impulse to donate your time or money, these inspiring stories, along with concrete advice about how to select the right cause for you, will help make your generosity really count.
