From Greenwood : The Jim Crow Encyclopedia [2 volumes]: Greenwood Milestones in African American History (Milestones in Business History) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jim Crow Encyclopedia [2 volumes]: Greenwood Milestones in African American History (Milestones in Business History):

0 of 1 people found the following review helpful. Excellent resourceBy J. HoustonItem received as described and the

delivery was prompt. I would most definitely recommend this set to my colleagues and for incorporation into the school library.

Jim Crow refers to a set of laws in many states, predominantly in the South, after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans. As a caste system of enormous social and economic magnitude, the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling. Racial segregation, as well as responses to it and resistance against it, dominated the African American consciousness and continued to oppress African Americans and other minorities, while engendering some of the most important African American contributions to society. This major encyclopedia is the first devoted to the Jim Crow era. The era is encapsulated through more than 275 essay entries on such areas as law, media, business, politics, employment, religion, education, people, events, culture, the arts, protest, the military, class, housing, sports, and violence as well as through accompanying key primary documents excerpted as side bars. This set will serve as an invaluable, definitive resource for student research and general knowledge. The authoritative entries are written by a host of historians with expertise in the Jim Crow era. The quality content comes in an easy-to-access format. Readers can quickly find topics of interest, with alphabetical and topical lists of entries in the frontmatter, along with cross-references to related entries per entry. Further reading is provided per entry. Dynamic sidebars throughout give added insight into the topics. A chronology, selected bibliography, and photos round out the coverage. Sample entries include Advertising, Affirmative Action, Armed Forces, Black Cabinet, Blues, Brooklyn Dodgers, *Bolling v. Sharpe*, Confederate Flag, Congress of Racial Equality (CORE), Detroit Race Riot 1943, Ralph Ellison, *Eyes on the Prize*, G.I. Bill, Healthcare, Homosexuality, Intelligence Testing, Japanese Internment, Liberia, Minstrelsy, Nadir of the Negro, Poll Taxes, Rhythm and Blues, Rural Segregation, Sharecropping, Sundown Towns, Booker T. Washington, Works Project Administration, World War II.

"Multipage, essay-style entries go well beyond consideration of segregation and its relevant legal cases; they also provide insight into its poignant psychology and impact on daily minutiae Recommended for American history and African American studies collections." - Library Journal "libraries will appreciate that this title brings those other writings up-to-date. This title is recommended for all public and academic libraries." - ARBA "recommended for academic and larger public libraries." - Catholic Library World About the Author Nikki L.M. Brown is Associate Professor of History at Grambling State University. Barry M. Stentiford is Assistant Professor of History at Grambling State University.
