Tara M. McGowan : The Kamishibai Classroom: Engaging Multiple Literacies Through the Art of "Paper Theater" before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kamishibai Classroom: Engaging Multiple Literacies Through the Art of "Paper Theater":

1 of 1 people found the following review helpful. Very Pleased with PurchaseBy artsurfer3This book helped me develop a better understanding of Kamishibai and gave me several key ideas for implementing paper theater in my classroom. It was immediately applicable with my class. I'm glad I bought the book and will use it during the year for group projects way beyond our immediate Japanese Immersion Day.3 of 3 people found the following review helpful. great resource!By Masato NishimoriThis book provides the best indepth English language history of kamishibai I have

seen to date, as well as very practical tips for making and using and teaching kamishibai. highly recommended for teachers, theatre buffs, puppet people, and Japanophiles.

Written by a professional storyteller and artist who has studied with kamishibai artists and practitioners in Japan, this book is a practical "how-to" for creating and performing original kamishibai stories with students of all ages and across disciplines. Includes original narratives with suggestions for how to incorporate them into hands-on workshops Offers a pictorial history of kamishibai and how it evolved out of various etoki (picture-storytelling) traditions in Japan Presents more than 160 original illustrations and drawings Provides an appendix with instructions for how to make kamishibai stages from readily available, recycled materials

About the Author Tara M. McGowan is a doctoral candidate at the University of Pennsylvania in the Language and Literacy in Education division of the Graduate School of Education.
