George Mjller, George Muller : The Life of Trust before purchasing it in order to gage whether or not it would be worth my time, and all praised The Life of Trust:

4 of 4 people found the following review helpful. This book "The Life of Trust" has been an excellent book for my husband and IBy KTThis book "The Life of Trust" has been an excellent book for my husband and I, who have read it together and are re-reading it again. It is basically an autobiographical account of how George Mueller came to trust in

Christ; and then throughout the remaining years of his life, how God proved Himself to be the Living God by providing for Mr. Mueller, his family, several thousand orphans, missionaries, and other ministries, through answers to prayer alone - not asking for contributions from anyone. It is very detailed in his accounting (to the half-penny!), so at times can be a little monotonous, but there are so many nuggets of wisdom in it that it's worth it. If you wish to be inspired and challenged in your faith to really trust God the way that believers are supposed to, I encourage you to read this book. 1 of 1 people found the following review helpful. Awesome read

This read is a great practical illustration on trusting God for our daily provision. I plan on reading it again to build up my own personal practical trust in God. 3 of 4 people found the following review helpful. The Life of Trust book
By Fine Fortune
I ordered the book "The Life of Trust" for my husband. It is a fantastic, faith-building book that I would highly recommend for everyone. It was priced right, in excellent condition, and arrived in a timely fashion. I am very pleased.

What is meant by the prayer of faith? is a question which is beginning to arrest, in an unusual degree, the attention of Christians. What is the significance of the passages both in the New Testament and the Old which refer to it? What is the limit within which they may be safely received as a ground of practical reliance? Were these promises limited to prophetic or apostolical times; or have they been left as a legacy to all believers until the end shall come?
