Joyce Mendelsohn : The Lower East Side Remembered and Revisited: A History and Guide to a Legendary New York Neighborhood before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lower East Side Remembered and Revisited: A History and Guide to a Legendary New York Neighborhood:

0 of 0 people found the following review helpful. Long ago there once was a place...By RDW354This book is an excellent source on the history and the many revisions of the neighborhood that once hosted many refugees over the years. If you or your family ever lived on the Lower East Side of New York City, this book is for you. Great reading!

0 of 0 people found the following review helpful. Very informative!!By karrie hernandezI took this book to NYC on a to visit my daughter who lives in the Lower East Side. It was a great guide to the history of the neighborhood and we did our own walking tours with the guide of the book. It was extremely informative and well written

The Lower East Side has been home to some of the city's most iconic restaurants, shopping venues, and architecture. The neighborhood has also welcomed generations of immigrants, from newly arrived Italians and Jews to today's Latino and Asian newcomers. This history has become somewhat obscured, however, as the Lower East Side can appear more hip than historic, with wealth and gentrification changing the character of the neighborhood. Chronicling these developments, along with the hidden gems that still speak of a vibrant immigrant identity, Joyce Mendelsohn provides a complete guide to the Lower East Side of then and now. After an extensive history that stretches back to Manhattan's first settlers, Mendelsohn offers 5 self-guided walking tours, including a new passage through the Bowery, that take the reader to more than 150 sites and highlight the dynamics of a community of contrasts: aged tenements nestled among luxury apartment towers abut historic churches and synagogues. With updated and revised maps, historical data, and an entirely new community to explore, Mendelsohn writes a brand-new chapter in an old New York story.

About the AuthorJoyce Mendelsohn is the granddaughter of Jewish immigrants who settled on the Lower East Side. She lectures on the history, culture, and architecture of New York City at the New School for Social Research and conducts walking tours of and lectures about city neighborhoods sponsored by major cultural and educational institutions. In 2010 she received the Mickey Murphy Award from the Historic Districts Council for her longtime commitment to New York City preservation efforts.
