From Indiana University Press : The Lucky Few and the Worthy Many: Scholarship Competitions and the World's Future Leaders (Philanthropic and Nonprofit Studies) before purchasing it in order to gage whether or

not it would be worth my time, and all praised *The Lucky Few and the Worthy Many: Scholarship Competitions and the World's Future Leaders* (Philanthropic and Nonprofit Studies):

Although winning a major competitive scholarship, such as the Rhodes or Marshall, is a strong marker for later success, there has been little serious research on how these scholarships are given and how the process could be improved. This book, the fruits of a discussion on "strengthening nationally and internationally competitive scholarships," presents studies that address issues of identifying leadership and creativity in the young, analyze alternative methods of selection, make suggestions for the proper evaluation of scholarship programs, and look at the backgrounds of American Rhodes Scholars. An introduction by the editors provides an overview of the issues. Philanthropic and Nonprofit Studies Dwight F. Burlingame and David C. Hammack, editors
