Aleksandr Herten : The Memoirs of Alexander Herzen, Parts I and II before purchasing it in order to gage whether or not it would be worth my time, and all praised The Memoirs of Alexander Herzen, Parts I and II:

Book by Herzen, Aleksandr

"The memoirs of Alexander Herzen belong in the first rank of published reminiscences. They have all the values which can properly be identified with a work of this kind. They are rich in historical portraiture, they are tinged with a ripe philosophy, and they have an enduring literary vigor and charm."-New York Times Book Review
