E. Franklin Frazier : The Negro Church in America/The Black Church Since Frazier (Sourcebooks in Negro History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Negro Church in America/The Black Church Since Frazier (Sourcebooks in Negro History):

0 of 0 people found the following review helpful. The Negro Church in America By Tracey Elam This book has been

extremely helpful for me as I write the literature review for my dissertation. My topic is related to African Americans and the church and this book has helped me establish the important place that the church has occupied in the African American community from slavery to the present. 2 of 2 people found the following review helpful. great read
By Lisa
This is one of those books I can read over and over. Every church-going African American who loves history should have a copy.

By Jacqu Anderson
An excellent source of church history

Frazier's study of the black church and an essay by Lincoln arguing that the civil rights movement saw the splintering of the traditional black church and the creation of new roles for religion.

"A brief but brilliant analysis of the historical origin and the present situation of a crucially important institution of the American Negro people." Gunnar Myrdal
"What Dr. Frazier provides in his brief study is a penetrating insight into the whole psyche of the American Negro . . . a classic study in American ethnic history."
Negro Digest
From the Inside Flap
Frazier's study of the black church and an essay by Lincoln arguing that the civil rights movement saw the splintering of the traditional black church and the creation of new roles for religion.
From the Back Cover
'A brief but brilliant analysis of the historical origin and the present situation of a crucially important institution of the American Negro people.'--Gunnar Myrdal
This book also includes 'The Black Church Since Frazier' by C. Eric Lincoln.
According to C. Eric Lincoln, the turbulent decade of the Sixties witnessed the death of the Negro Church. In its place, the offspring of the conflict between 'conscienceless power' and 'powerless conscience,' is the Black Church.
