Michael Oliver, Colin Barnes : The New Politics of Disablement before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Politics of Disablement:

Disability luminary Mike Oliver is joined by Colin Barnes in this agenda-setting response to a capitalist society faced with globalisation, financial instability and lower public expenditure. A timely new edition which reignites the debate

on the nature of disability and reasserts the political power of the academic field of disability studies.
