**The New York Public Library : The New York Public Library Desk Reference** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Public Library Desk Reference:

1 of 1 people found the following review helpful. Finally Found it!!!!By CreatingMemoriesI have been searching for this book for YEARS!! It was given to me in the 1990s and Ive been searching for it since then. I feel nostalgic having this book again! Thank You.1 of 2 people found the following review helpful. A Must-Have for EveryoneBy designs@escape.comThis is not only a source for a wealth of information, but a great coffee-table book. It's very entertaining and informative. You'll want to get the update every few years.

This thoroughly revised edition of a national bestseller is updated to include the last four years. A user-friendly, ready reference, it covers 26 categories of the most commonly asked-about subject areas and features aflecting recent global

changes. Drawings; maps; tables; charts; index.
